

# Spotlight on ABSS Review

Issue No: 06

Date: 11.03.11

We would like to update members following our meetings last month. At those meetings we told you we were discussing the implementation process with management to try to come to agreement over the way to recruit people to the new structure. These discussions have taken longer than expected because both Project Team and Joint Trade Unions want to ensure the processes are both fair and legal. We are hopeful management will have a final proposal after the Transformation Board meeting next week (16<sup>th</sup>).

We need to discuss the options management are considering with **all G5 and G6 UNISON members in scope of the review** and are therefore holding a **meeting** at

**UNISON Office, Koco Building,  
Tuesday 15<sup>th</sup> March 9.30-10.30 am**

If you cannot attend this meeting it is vital that you phone either of the reps below to discuss the matter
